

Goods accompanying document (optional)

ATTENTION: This document does not replace a purchase order! Please clarify in advance whether you need to trigger an official order in your company. If yes, we need your order imperatively (indication of the order no.), otherwise **we cannot process your order**. If you do not need one, your internal, possibly informal accompanying letter (e.g. delivery bill) is sufficient. If you do not have an internal accompanying letter, **our goods accompanying paper can be filled in optionally**. Please enclose any accompanying letter with your shipment.

Delivery address customer

Company _____
 Department _____
 Contact person _____
 Street _____
 Country, Zip code, Location _____
 Telephone _____
 E-Mail _____
 Customer no. (if known) _____
 Order no. _____

Details of the 2. product

Product / Model _____ Serial no. (if known) _____
 Reason for sending & other _____

Order details

- | | |
|--|---|
| <input type="checkbox"/> Calibration (incl. Certificate) / desired interval (in years) _____ | <input type="checkbox"/> Cost estimate |
| <input type="checkbox"/> Incoming calibration protocol (extra costs) | <input type="checkbox"/> Repair order (error description required) |
| <input type="checkbox"/> Firmware-Upgrade / Software-Update | <input type="checkbox"/> Repair up to _____ € immediately |
| <input type="checkbox"/> Request rental device | <input type="checkbox"/> Warranty (attach proof of purchase) |

Note: If no **calibration interval** is entered, we select **1 year**, based on the manufactures recommendation.

We charge a **flat rate of 49 €** if the **cost estimate is rejected**.

Have you sent in pictures/error discriptions? If so, please **name senders e-mail address** for identification.
