- Available worldwide

THE ALL-ROUND CAREFREE SERVICE PACKAGE

METRACHECK is an all-round carefree service package with four different terms for GOSSEN METRAWATT measuring and testing devices.

If you need a calibration or repair, simply send your device to GMC-I Service GmbH together with the purchased voucher and they will do the rest for you.

Thanks to prioritized turnaround times, you will receive your device back calibrated and/or repaired and finally tested according to the manufacturer's specifications within a short time.

METRACHECK ensures that your device always remains in full working order.

Terms: 24, 36, 48 or 60 months.

The term of the package always begins on the date of purchase of the associated or sent in measuring and testing device. This means that you have the life cycle costs under control from the moment you purchase the device, ensuring a long service life and maximum availability of your device.

Exclusive distribution is handled by Gossen Metrawatt GmbH. GMC-I Service GmbH is responsible for service processing.

PROCESS

The package includes a perforated voucher card in duplicate. To make use of the service package, please send the following to GMC-I Service GmbH:

- Your device,
- the appropriately marked voucher card (the other part of the voucher remains with you) and,
- the purchase invoice for the device.

You will also find the registration code for your access to IZYCHECK.IQ PREMIUM on the voucher card.

USEFUL INFORMATION

- The term of the METRACHECK service package always begins on the date of purchase of the measuring device sent in.
- Send your device with purchase invoice and voucher card to GMC-I Service GmbH (Beuthener Straße 41, 90471 Nuremberg, Germany).
- The test device must have been operated under the conditions specified in the technical data.
- There must have been no use of force, fall damage, or unauthorized interventions.
- There are only a few exclusions: Cables, loose accessories, wear and consumable parts (fuses, risers, test probes, connector inserts, printer tape, paper, etc.).
- Functional upgrades require a separate order.

SCOPE OF DELIVERY

- 1 METRACHECK 24 / METRACHECK 36 / METRACHECK 48 / METRACHECK 60
(Consisting of: 1 product description, 1 perforated voucher, 1 information sheet)
